

# Meet the Counselor!

## All About Me!

Hi, I'm Jasmine Barbay, a 3rd year School Counselor. It is my first year here at CGMA and in St. James Parish. I am a graduate of ULL with a BGS in General Studies and Nicholls with a Masters in School Counseling. I am also a mom to two sweet girls. If you feel the need to reach out please do so either by phone or email.

## Hello Families!

I'm so excited to be your counselor this year! As a school counselor I provide and organize school-wide activities, resources, counseling lessons, school programs, group and individual counseling, and collaboration with all students! I will be providing a monthly newsletter with ongoing updates about the counseling program and parent resources and events.

Warmly, Jasmine Barbay, M.Ed, NCC
